Shebeens, Gambling, Abortion & Ebrahim Rasool...

**Shebeens, gambling and abortion are destroying our society.
It kills our youth and breaks up our families...**

Ebrahim Rasool was MEC for Health in the Western Cape when the law on Abortion was first implemented. He was, therefore, instrumental in endorsing this law. He is responsible for the killing of thousands of defenseless unborn children. **Ebrahim Rasool** has, therefore, directly opposed and rejected the instructions of Allah (SWT).

Ebrahim Rasool was MEC for Finance in the Western Cape when the casinos were legalised, and gambling was rolled out to the people of this Fairest Cape. This has left thousands of people destitute and addicted to gambling. He, therefore, promotes gambling and, once again, directly opposes the laws of Allah (SWT).

Ebrahim Rasool is now the Premier of the Western Cape, and is now ready to sign documents that will legalise thousands of Shebeens in our communities. This will lead to even more drug & alcohol addiction, and will provide more cover for shebeen owners & drug dealers. He will, directly, be responsible for the continued destruction of our youth!

"Intoxicants & gambling are an abomination of Shaitaan..." *This is what Allah says! Anyone, in any position, who encourages intoxicants and gambling, is a friend of Shaitaan.

Ebrahim Rasool violates Allah's laws and implements laws which are in direct opposition to Allah's instructions.

**Quran: Surah 5; Verse 90*

How can Believers take guidance from a man like this?
